AN ODYSSEY OF DISCOVERY

Departing San Francisco on January 15, 2023, Oceania Cruises' newest 180-day Around the World journey elevates and evolves this once-in-a-lifetime experience yet again. On this global circumnavigation, you'll have the rare opportunity to explore 96 awe-inspiring destinations in more than 30 countries all on one journey. Chart South America from the mystical ruins of Machu Picchu to the golden beaches of Brazil and, for the first time on an Oceania Cruises world voyage, enjoy the sought-after opportunity to cruise among the stark, ice-clad islands and bays of spellbinding Antarctica. Encounter Africa's Big Five, discover fascinating destinations along the Indian Ocean and explore the epic icons of Asia. Choose from curated itinerary options embarking in Miami or San Francisco, ranging from 180 to 218 unforgettable days.

The elegant ambiance, luxurious amenities and The Finest Cuisine at Sea® aboard *Insignia* will create the perfect complement to your fulfilling days of adventure ashore. Whether you choose to unwind at the Aquamar Spa + Vitality Center, gather with newfound friends over a bottle of wine or channel your inner creative spirit at Artist Loft, *Insignia* will be your luxurious home at sea as you sail from one spectacular destination to the next.

Pleasures of the Palate

THE FINEST CUISINE AT SEA®

Sailing around the globe offers the chance to sample some of the finest cuisine in the world at the very best shoreside restaurants. A world voyage with Oceania Cruises means you will savor exquisite global cuisine while on board *Insignia*. Inspired by the legendary Master Chef Jacques Pépin, our Executive Culinary Director, the talented chefs on board create culinary masterpieces.

From Continental classics, Aquamar Vitality Cuisine and plant-based dishes at The Grand Dining Room to authentic Italian cuisine at Toscana to perfectly prepared steaks and seafood at Polo Grill, the options are nearly endless. Of course, a voyage of this scale must take full advantage of the opportunity to celebrate world cuisines, so a host of special events will highlight authentic local fare. Enjoy delicious Burmese and Thai favorites at Terrace Café while sailing the Andaman Sea or a colorful Bollywood night as you cruise the Laccadive Sea. Regardless of the region, an endless array of gourmet culinary experiences awaits you.

Enrich, Enlighten and Energize

LIFESTYLE

While the impressive worldwide destinations are quite naturally the star attraction on this extraordinary voyage, you are certain to enjoy the rich and varied ambiance aboard *Insignia*. You might lose yourself in deep relaxation with a soothing massage or rejuvenating treatment at our Aquamar Spa + Vitality Center. Or perhaps you will be inspired by the creative workshops at Artist Loft. Meanwhile, the putting greens on the upper deck make for an ideal location to practice your swing and take in the gorgeous vistas. Gather together with friends for cocktails at Martinis, enjoy the timeless tradition of teatime at Horizons or try your luck at the Monte Carlo-style casino. On days when you wish to simply relax, the plush English-style library or Balinese daybeds poolside offer the perfect retreat during this wonderful journey.

ENTERTAINMENT

A diverse spectrum of entertaining and enriching activities awaits you on board, many designed to further enhance your experiences ashore. A bevy of experts will share personal insights on the history, arts, culture and cuisine of the fascinating ports of call you will explore, so you can experience each to its fullest. Other special guests will be on board to help celebrate the pure joys of cruising. Spend days at sea improving your bridge skills with a master of the game or join a lively trivia contest with friends. Listen to a talented pianist interpret a classic concerto or learn the secrets of regional cuisine from a local chef at a special culinary demonstration. Spend the evenings enjoying colorful high-energy production shows and critically acclaimed headline entertainers, socializing with friends or dancing the night away at Horizons.

MUGHAL MASTERPIECES

5 DAYS | APRIL 30, 2023 | FROM MUMBAI

Delight in the architectural treasures that the ruling Mughals created in northern India between the 16th and 19th centuries, including the masterpiece Taj Mahal. You will view the storied mausoleum at sunrise and sunset, when its colors are dramatically different. Nearby stands the UNESCO World Heritage site Agra Fort, whose red sandstone walls encircle the fairytale-like Mughal imperial city. The Jantar Mantar royal observatory in the Pink City of Jaipur reflects the astronomical skills of the Mughals, while the palace is renowned for its extraordinary blend of architectural styles, Mughal being only one of them. For a glimpse into present-day Hindu culture, you will witness an early-morning Aarti prayer ceremony in a Krishna temple within Jaipur's palace complex.

AJANTA & ELLORA CAVES

4 DAYS | APRIL 30, 2023 | FROM MUMBAI

Explore two extraordinary UNESCO World Heritage site cave complexes, both hand-cut from solid rock to create religious sanctuaries. Although built in the 2nd century BC, the Ajanta Caves were forgotten and buried beneath debris until rediscovered about 200 years ago. Inside, you will behold what may be the world's most important Buddhist wall paintings. The colors are still

vibrant, thanks in part to an infra-red restoration process. The nearly three dozen Ellora Caves are noteworthy because their stone sanctuaries are devoted to Buddhism, Hinduism and Jainism, a clear illustration of ancient India's religious tolerance. One highlight will be viewing the enormous, heavily ornamented Kailasa temple, which was carved from a single block of stone, an absolutely herculean feat.

ANCIENT TEMPLES OF BAGAN

2 DAYS | MAY 11, 2023 | FROM YANGON

Gain insight into the religious devotion of Myanmar's people by visiting several ancient temples that are representative of the thousands of temples built across the plains of Bagan in the 9th through 13th centuries. Ananda Temple is considered a masterpiece of Mon architecture, while Sulamani Temple displays some of Bagan's finest ornamental work. The gold-plated Shwezigon Pagoda is another architectural gem from the same time period and is so stunning that its design became the prototype for countless pagodas that followed. Bagan is also renowned for lacquerware, and you will have the opportunity to watch artisans create various pieces step by step using traditional methods. For a candid glimpse into daily life, you will visit an open-air market and interact with the local residents.

AUTHENTIC INLE LAKE

2 DAYS | MAY 11, 2023 | FROM YANGON

Delve into the lifestyle of the local Intha people at Inle Lake, a beautiful body of water known throughout Myanmar for its unusual floating villages and gardens. While you will first stop at the sacred Buddhist site of Shwedagon Pagoda, Inle Lake life will take center stage from that point on. There will be plenty to observe as you travel by boat to explore a mobile market that rotates between water villages every five days. You will also see fishermen that stand

in their boats on one leg, adeptly row with their other leg wrapped around an oar and work their conical nets with their hands. It's a sight to behold, as will be the villages built on stilts above the water and the monastery on Inle Lake.

KHMER KALEIDOSCOPE & ANGKOR WAT

4 DAYS | MAY 18, 2023 | FROM SINGAPORE

Become immersed in Cambodia's captivating Khmer culture by browsing notorious locales, enlightening museums and the sprawling Angkor Wat archaeological park. The glories of Khmer architecture will take center stage at the Royal Palace in Phnom Penh, where you will view the extravagant Silver Pagoda and a gold Buddha dripping with thousands of diamonds. Ancient treasures and Khmer art, especially sculpture, enthrall at the National Museum. The Buddhist temple complex Angkor Wat is considered even more spellbinding, as it is the world's largest religious monument.

You will also meander the ruins of the enormous stone faces in the Angkor Thom complex and marvel at Ta Prohm, a temple famously being overtaken by the roots of strangler fig trees. The setting is so dramatic that it has been featured in movies such as "Lara Croft: Tomb Raider."
