# ALASKA

*Experience the awe of  
pristine wildness, on  
a once-in-a-lifetime  
adventure.*

Just saying the word "Alaska" conjures feelings of excitement. With gigantic glaciers that creak and crack, grizzly bears as big as boulders and snow-capped mountains that stretch high into the heavens, this wild and unspoilt region is an outdoor enthusiast's dream.

Go off the beaten track or trace old trade routes with our unforgettable 7 to 14-day itineraries. These offer a choice of classic destinations such as the city of Ketchikan and the fishing town of Sitka, with otherwise inaccessible fjords thanks to our smaller ships.

Experience immersive excursions from wildlife watching to wilderness kayaking, climbing the White Pass Mountains in Skagway to admiring the stunning scenery of the Tutshi River. You can go fishing and crabbing at Botswick Bay, hiking in Gold Creek Valley, exploring on Mendenhall Glacier, learning all about the Gold Rush history, seeing majestic waterfalls and so much more.

Onboard *Silver Moon* and *Silver Nova*, our youngest fleet to sail Alaska, you'll feel an incredible sense of connection with your destination thanks to our ocean view suites and unique S.A.L.T. culinary programme with changing menus to match each place.

The Mediterranean is our playground, but Northern Europe is our backyard. Having explored it for decades, we know how to bring you the very best experiences here, combining incredible opportunities for deeper immersion ashore with more personalised indulgences onboard our intimate ships *Silver Shadow* and *Silver Dawn*.

These rugged and beautifully isolated lands are rich in culture, history and tradition. They include some of the continent's most stunning natural sights such as the Norwegian Fjords and Djupivogur, Europe's greatest glacier.

Our transformative itineraries will take you from the iconic cities of Oslo, Tallinn, Lisbon and Bordeaux to remote locations across the British Isles. Picture close encounters with local wildlife, adventurous hikes in the hills including your chance to climb Mount Aksla in Norway's Ålesund, award-winning gin tasting in Ireland's Belfast, and exploring the medieval religious secrets of Lindisfarne Island in remote Scotland.

Our ultra-luxury ships can reach even the smallest and most rarely visited harbours such as Mariehamn and Narvik in the Finnish Åland Islands for unique travels in unimaginable comfort.
